Intro

G

Verse

I was a broken man, I was a wounded heart
'Til You came and took me by the hand
I was a weary soul, I was a fallen star
'Til You came and made me whole again

Chorus

Oh my soul, sing of the faithfulness of God
Oh my soul, Your hallelujah
Sing for joy, sing of His never-ending love
Oh my soul, sing of this

Verse

I was a desert land, I was a wilderness
'Til You brought me back to life again
I was a wanderer, my life was such a mess
'Til You came and made me whole again

Bridge

Sing to the memories, sing to the past you can't forget
Sing of His goodness, sing to the lifter of your head
Sing to the healer, sing to the One who gives you breath
Sing to the Savior, sing of the love that conquers death
Sing to the mountains, sing when the darkness closes in
Sing of His mercy, sing of His grace that covers sin
When you sing you'll get stronger
When you sing you'll remember His promises

Oh praise Him for - ever, He is who He says He is
Oh praise Him for - ever, He is who He says He is
Oh praise Him for - ever, He is who He says He is
