Intro 2x
A                D/A

Verse 1
A                              D/A
   I'm looking up at this moun - tain  in my way
A                                D/A
   It seems like all that You've prom - ised  has been delayed
A                          F#m           E/B
   But You said all that I needed was a little faith
           D
To see You move

Chorus
            A                           Bm
You can do more, so much more than what I  could ask for
A/C#                       D
More, so much more than what I  could dream
A                         Bm
More, so much more than what I  could ask for
   F#m                     D
I can't even imagine it, I can't even imagine it

Verse 2
A                             F#m
   You're not a God who's a - fraid of impossible
E/B                          D
    You're strong enough for the weight of a miracle
A                       F#m
   So I can worship while waiting
             E/B             D
There's not a doubt I'll see You move

Tag
  F#m                     A/C#   D
I can't even imagine it

Bridge 1
              D                           E
If you've been praying, get ready, if you've been hoping, get ready
            F#m                 A/C#
If you've been waiting, get ready, get ready for a miracle
            D                           E
If you've been broken, get ready, if you've been weary, get ready
            F#m                 A/C#
The heavens are open, get ready, get ready for a miracle
