Intro

G Em7 G

Verse 1

Somes I feel afraid
Of getting things all wrong
Of people who will tease me
When they see the things I've done
And then I remember there's no need to be afraid

Chorus

Because my God He is big
He's gigantic He's enormous
He is powerful and strong
He is amazing and He's awesome
And there's nothing in this world
That He couldn't pulverize
So I know I've got nothing to fear no no
So I know I've got nothing to fear

Verse 2

Somes I feel afraid of being on my own
With no one here to play with me
I'll always be alone
And then I remember there's no need to be afraid

Verse 3

Somes I feel afraid of things I cannot see
Of monsters in the dark who might be
Chasing after me
And then I remember there's no need to be afraid
