Intro
G F C

Verse 1
          C                          G
When the Lord brought us out of captivity
F                    C
We were like those who dream
                                G
Then our mouths were filled with laughter
    F           C
As we began to sing

Verse 2
C                        G
Then they said among the nations
    F                   C
The Lord has done great things for them
                        G
Yes the Lord has done great things
        F C
We are glad

Chorus
          G       F           C
Those who sow in tears reap in joy

Bridge
 C7
Bring back the captive ones
Like a river Lord
Bring back the captive ones
Like a flood
