```
Intro
 Dsus     D     Dsus     D      G     G    Asus    Asus

Verse 1
Dsus                 D
    Gracious and astounding
Dsus                   D                   G
    God's love so confounding appears to us
G                       Asus
    In a cleansing flow of blood
Dsus                           D
    The Son left throne and glory
Dsus                              D           G
    Bore the Father's wrath and fury in our stead
G                       Asus
    And for the sins of all He bled

Chorus
G                    Asus
  Stand in awe and worship
Bm                 D               G
  Raise a voice in worship; come adore
             Asus              D
The King of Kings and Lord of Lords

Verse 2
Dsus                     D
    Behold the Lamb in Heaven
Dsus                       D                   G
    He was dead but God raised Him from the grave
G                       Asus
    For His arm is mighty to save
Dsus                     D
    Now glorified and reigning
Dsus                         D           G
    The keys of death and Hades in His hand
G                            Asus
    And all hail the Lord of every man

[Chorus]

[Chorus]

[Chorus]

Ending
G              Asus         D
  The King of Kings and Lord of Lords
```
