Verse 1

This world can be cold and bitter
Feels like we're in the dead of winter
Waiting on something better
But am I really gonna hide forever

Pre-chorus 1

Over and over again
I hear Your voice in my head
Let Your light shine
Let Your light shine for all to see

Chorus

Start a fire in my soul, fan the flame and make it grow
So there's no doubt or denying
Let it burn so brightly, that everyone around can see
That it's You that it's You that we need
Start a fire in me

It only takes a spark to start a whole blaze
