Verse

When I think about the way You came
From Heaven's throne to Earth and clay
My simple words get in the way

When I think about the sacrifice
The scarlet stream that saved my life
I'm overwhelmed that You would die
And You would pay that price for me

Chorus

Yours is the sweetest name
The sweetest name
The sweetest name I know
Like honey on my lips
I just wanna savor it
Je - - - sus, my Je - - - sus

Verse

When I think about what's yet to be
Where there are no more mysteries
And I'm face to face with majesty
And all has been redeemed, I'll sing

More treasured than gold

C **D D**

Than anything I know

Chorus

My Je - - - sus
