Intro:
A/C# D   F#m7 D

Verse 1:
A            D     F#m        D              A
The reason why I stand, the answer lies in You
     D             F#m     D                  A
You hung to make me strong, though my praise was few
      D                 F#m
When I fall and bring Your name down
     D          A      D             F#m
But I have found in You, a heart that bleeds forgiveness
D                  Bm          A/C#      D
Replacing all these thoughts of painful memories
     Bm              A/C#           D
But I know that Your response will always be

Chorus:
              A       E
I'll take you back always and
                        Bm7
Even when your fight is over now
                        D
Even when your fight is over now
              A       E
I'll take you back always and
                      Bm7
Even when the pain is coming through
                      D
Even when the pain is coming through
              A
I'll take you back

   A/C# D   F#m7 D

Verse 2:
A        D      F#m    D              A
You satisfy this cry of what I'm looking for
         D         F#m     D          A
And I take all I can and lay it down before
     D                F#m
The throne of endless grace now
      D          A      D           F#m
That radiates what's true I'm in the only place that
D               Bm             A/C#       D
Erases all these faults that have over taken me
     Bm              A/C#           D
But I know that Your response will always be

Bridge:
        Bm                      A/C#
I can only speak with a grateful heart
        F#m             E           D
As I'm pierced by this gift of Your love
        Bm                      A/C#
I will always bring an offering
            D
I can never thank You enough
             A        E
You'll take me back always and
                        Bm7
Even when my fight is over now
                        D
Even when my fight is over now
            A        E
You'll take me back always and
                        Bm7
Even when my pain is coming through
                        D
Even when my pain is coming through

Ending:
                 A           E
You'll take me back ... always
                        Bm7
Even when my fight is over now
                        D
Even when my fight is over now
             A           E
You'll take me back ... always
                        Bm7
Even when my pain is coming through
                        D
Even when my pain is coming through
               A/C#  D   F#m7  D
You'll take me back
