Intro 4x

A Bm F#m D

Verse 1

In the land - scape of my life
You don't rush through any season, you always take Your time
A careful hand, a gentle guide
You take what's dead away, and You prune what's running wild

Chorus

So be the gardener of my heart, tend the soil of my soul
Break up the fallow ground, cut back the overgrown
And I won't shy away, I will let the branches fall
So what You want can stay, and what You love can grow

Verse 2

Through winter, I'm still alive
What You've planted in the dirt, is ever reaching to the light
You prepare me for darkened times
You'll sustain what You have started, and You'll teach me to abide
