Intro

D A/C# Bm G

Verse 1

What love the Father has lavished on us
That we should be called His sons and daughters
Precious in His sight
Greater love this world had never seen, When He hung on that tree
O why did He do such a thing, For dirty sinners like you and me

Chorus 1

O God, thank You for loving me, When on the cross You made history
Lord, You died for me, Forever my praise will go to Thee
O God, thank You for choosing me
To be Your child and bear Your name
O Jesus, I will never cease to sing Your praise
Thank you for loving me

Verse 2

Your love is patient and humble and kind
It's greater than all my sin
It always protects and trusts and hopes, And will have no end
It's Your love that lifted me up from the depths
Set my feet on a solid rock, With a firm place to stand
Lord, I always will trust in Your loving hand

Bridge

How wide, how long, how high, how deep
How endless is Your love for me
How endless is Your love for me
