Intro

Verse 1

There's an ache inside bones
This desire that I may know
Only You, Jesus Christ, crucified
You're the name above all others
On the throne above all thrones
Only You, Jesus Christ, be lifted high

Chorus

I don't need anything else but You, Jesus
I don't want anything else but to make You known
I'll be low and You be lifted
You will be exalted only, Jesus, only Jesus

Verse 2

You're the hope of all mankind
Those who seek will always find
You alone Jesus Christ satisfy
There's a longing on the earth
For revival in Your church
Only You, Jesus Christ, glorified
Only You, Jesus Christ, be glorified

Chorus
