Verse 1

I've been waiting for the sun
To come blazing up out of the night like a bullet from a gun
'Til every shadow is scattered, every dragon's on the run
Oh, I believe, I believe that the light is gonna come
And this is the dark, this is the dark before the dawn

[Intro]

Verse 2

I've been waiting for some peace
To come raining down out of the heavens on these war-torn fields
All creation is aching for the sons of God to be revealed
Oh, I believe, I believe that the victory is sealed
The serpent struck, but it was crushed beneath His heel

Pre-chorus

And oh, I know the wind can bring the lightning
Oh, I know the lightning brings the rain
Oh, I know the storm can be so frightening
But that same wind is gonna blow that storm away
Blow that storm away

[Intro]

Interlude 1

Lord, I'm waiting for a change, I'm waiting for a change

Verse 3

So I'm waiting for the King
To come galloping out of the clouds while the angel armies sing

He's gonna gather His people in the shadow of His wings

I'm gonna raise my voice with the song of the redeemed

'Cause all this darkness is a small and passing thing

Chorus

This is the storm, this is the storm, the storm before the calm

This is the pain, the pain before the balm

This is the cold, the cold, it's the cold before the warm

These are the tears, the tears before the song

This is the dark

Sometimes all I see is this darkness

Can't you feel the darkness?

This is the dark before the dawn

Interlude 2

I'm just waiting for a change, change

Lord, I'm waiting for a change

Bridge

I had a dream that I was waking at the burning edge of dawn

And I could see the fields of glory and I could hear the Sower's song

I had a dream that I was waking at the burning edge of dawn

And all that rain had washed me clean, and all the sorrow was gone

I had a dream that I was awake at the burning edge of dawn

And I could finally believe, the King had loved me all along

I had a dream that I was awake at the burning edge of dawn

I saw the Sower in the silver mist and He was calling me home
