We're gonna dance, dance, dance in the freedom we know
We're gonna dance, dance, dance in the freedom we know
We're gonna dance, dance, dance in the freedom we know

Verse 1

The world turns in all of it's ways
But I'm soul set on a holy Name
And when all earth is said and done
Still I will praise Him
There's no end to the love that He gives
And now broken dreams have life again
In the hope of a risen King so let us praise Him

Pre-chorus

A mystery unthinkable that He took the fall just to save my soul
That He took the fall just to save my soul
Now to love is the life I know, on and on and on we'll be singin'

Chorus

Soul set free in the One I love, oh come on, come on
And let the whole earth sing in the freedom we know
Come on, come on and praise Him

Verse 2

Come, come all the lost and the found
Let us rise up with a holy sound
All the earth unified as one just to praise Him
In full view with nothing to hide
Like a city on a hill
We're gonna shine in the light of Your freedom

D E D E D

Let us praise Him
