Verse 1

B Bsus B Bsus

Started out this morning in the usual way

Chasing thoughts inside my head of all I had to do today

Another around the circle

Try to make it better than the last

I opened up the Bible and I read about me

Said I'd been a pris'ner and God's grace had set me free

And somewhere between the pages it hit me like a lightning bolt

I saw a big frontier in front of me

And I heard somebody say let's go

Chorus

Saddle up your horses we've got a trail to blaze

Through the wild blue yonder of God's amazing grace

Let's follow our leader into the glorious unknown

This is life like no other Oh

This is The Great Adventure

This is The Great Adventure

Verse 2

B E B E

Come on and get ready for the ride of your life

Gonna leave long-faced religion in a cloud of dust behind

And discover all the new horizons just waiting to be explored

This is what we were created for

We'll travel over over mountains so high

We'll go through valleys below still through it all

We'll find that this is the greatest journey
