## Intro

## Verse 1

Give me eyes to see more of who You are  
May what I behold still my anxious heart  
Take what I have known and break it all apart  
You my God are greater still

## Chorus 1

And no sky contains no doubt restrains all You are  
The greatness of our God I spend my life to know  
And I'm far from close to all You are  
The greatness of our God

## Verse 2

Give me grace to see beyond this moment here  
To believe that there is nothing left to fear  
And that You alone are high above it all  
You my God are greater still

## Bridge

And there is nothing that could ever separate us  
There is nothing that could ever separate us from Your love  
No life no death of this I am convinced  
That You my God are greater still

## Chorus 2

And no words could say or song convey all You are  
The greatness of our God I spend my life to know  
And I'm far from close to all You are  
The greatness of our God
