Verse 1:

A **E** **Bm** **E7sus**
When the music fades, all is stripped away, and I simply come;
A **E** **Bm**
Longing just to bring, something that's of worth
E7sus
That will bless your heart.
Bm **A/C#** **E**
I'll bring you more than a song,
Bm **A/C#** **E** **E/G#** **A**
For a song in itself is not what You have required
Bm **A/C#** **E**
You search much deeper within
Bm
Through the way things appear;
A/C# **E**
You're looking into my heart

Chorus:

A **E2/G#**
I'm coming back to the heart of worship
Bm **D** **E** **A**
And it's all about You, its all about You, Jesus
A **E2/G#**
I'm sorry Lord for the thing I've made it,
Bm **D** **E** **A**
When it's all about You, all about You, Jesus

Verse 2:

A **E** **Bm** **E7sus**
King of endless worth, no one could express, how much You deserve;
A **E** **Bm** **E7sus**
Though I'm weak and poor, all I have is Yours, every single breath
Bm **A/C#** **E**
I'll bring you more than a song.
Bm **A/C#** **E** **E/G#** **A**
For a song in itself is not what You have required
Bm **A/C#** **E**
You search much deeper within
Bm
Through the way things appear;
A/C# **E**
You're looking into my heart
