Verse 1:

F **C** **Gm** **C7sus4**
When the music fades, all is stripped away, and I simply come;
F **C** **Gm**
Longing just to bring, something that's of worth
C7sus4
That will bless your heart

Pre-Chorus:

Gm **F/A** **C**
I'll bring you more than a song,
Gm **F/A** **C** **C/E** **F**
For a song in itself is not what You have required
Gm **F/A** **C**
You search much deeper within
Gm
Through the way things appear;
F/A **C**
You're looking into my heart

Chorus:

F **C2/E**
I'm coming back to the heart of worship
Gm **Bb** **C** **F**
And it's all about You, its all about You, Jesus
F **C2/E**
I'm sorry Lord for the thing I've made it,
Gm **Bb** **C** **F**
When it's all about You, all about You, Jesus

Verse 2:

F **C** **Gm** **C7sus4**
King of endless worth, no one could express, how much You deserve;
F **C** **Gm** **C7sus4**
Though I'm weak and poor, all I have is Yours, every single breath

Pre-Chorus:

Gm **F/A** **C**
I'll bring you more than a song.
Gm **F/A** **C** **C/E** **F**
For a song in itself is not what You have required
Gm **F/A** **C**
You search much deeper within
Gm
Through the way things appear;
F/A **C**
You're looking into my heart
