## Verse

Before the rugged cross  
Before You shed Your blood  
You came and walked with us  
And showed us Your heart  
You sat in sinner's homes  
You freed the tortured soul  
You opened blinded eyes  
Revealed who You are

## Chorus

And when I see You, I see mer - cy  
And if I know You, I know I'm loved  
Your name is righteous  
Your heart is kind - ness  
Jesus, the image of the un - seen God

## Verse

You paid the price for sin  
With nails that pierced Your skin  
You came to save the world  
And not to condemn  
You let compassion flow  
I'm welcomed as Your own  
Forever reconciled  
When You called me friend
