Verse

Before the rugged cross
Before You shed Your blood
You came and walked with us
And showed us Your heart
You sat in sinner's homes
You freed the tortured soul
You opened blinded eyes
Revealed who You are

Chorus

And when I see You, I see mer - cy
And if I know You, I know I'm loved
Your name is righteous
Your heart is kind - ness
Jesus, the image of the un - seen God

Verse

You paid the price for sin
With nails that pierced Your skin
You came to save the world
And not to condemn
You let compassion flow
I'm welcomed as Your own
Forever reconciled
When You called me friend
