Intro
G    C/G G    D            C           D

Verse
                     G
Before the rugged cross
                        D
Before You shed Your blood
                          C
You came and walked with us
                   D
And showed us Your heart
                       G
You sat in sinner's homes
                          D
You freed the tortured soul
                     C
You opened blinded eyes
                   D
Revealed who You are

Chorus
            C         D      C/G    G
And when I see You, I see mer - cy
        C         D          G
And if I know You, I know I'm loved
            C         D
Your name is righteous
                Em       Bm
Your heart is kind - ness
            C           D   D    G    G G
Jesus, the image of the un   - seen God

Verse
                     G
You paid the price for sin
                            D
With nails that pierced Your skin
                      C
You came to save the world
           D
And not to condemn
                   G
You let compassion flow
                      D
I'm welcomed as Your own
         C
Forever reconciled
                 D
When You called me friend
```

Bridge
```
     C                    D
For everything I've seen so far
        G           D/F#   Em          Bm
I will praise You Jesus, praise You Jesus
C                     D
Though I've only seen in part
           G          D/F#   Em          Bm
  I will praise You Jesus, praise You Jesus
           G          D/F#   Em          Bm            C     D
  I will praise You Jesus, praise You, praise You, Lord
```

Verse
```
                         G
And when You call me home
                       D
I'll fall before Your throne
                       C
And feel the force of grace
              D
Like I've never known
                        G
And there before my eyes
                   D/F#
The very face of Christ
                       C
I scarce can take it in
              D
Too much to behold
```

Chorus
```
          C          D      C/G    G
And when I see You, I see mer - cy
         C          D           G
And if I know You, I know I'm loved
               C          D
Your name is righteous
              Em      Bm
Your heart is kind - ness
          C              D    D     Em   Bm
Jesus, the image of the un   - seen God
               C            D    D     Em   Bm
You are the image of the un   - seen God
               C          D    D    G    G G
The perfect image of the un   - seen God
