## Verse 1

The Lord is my strength, a shield about me  
The Lord is my strength, and He will not be moved  
The Lord is my strength, a shield about me.  
The Lord is my strength and He will not be moved.

## Chorus

My rock, my fortress, a mighty deliverer  
The glory and lifter of my head  
The song in my heart, the joy of my salvation  
The faith on which I stand  
He will not be moved

## Verse 2

O Lord, You are my strength,  
Your Spirit surrounds me  
O Lord you are my strength  
And you will not be moved  
O Lord you are my strength  
Your spirit surrounds me  
O Lord you are my strength  
And you will not be moved.
