## Intro

Leave it all behind, leave it all behind

## Verse 1

I have what you need but you keep on searching  
I've done all the work but you keep on working  
When you're running on empty and you can't find the remedy  
Just come to the well

## Verse 2

You can spend your whole life chasing what's missing  
But that empty inside it just ain't gonna listen  
When nothing can satisfy and the world leaves you high and dry  
Just come to the well

## Chorus

And all who thirst will thirst no more  
And all who search will find what their souls long for  
The world will try but it can never fill  
So leave it all behind and come to the well

## Verse 3

So bring Me your heart no matter how broken  
Just come as you are when your last prayer is spoken  
Just rest in My arms a while, You'll feel the change My child  
When you come to the well
