Intro

Leave it all behind, leave it all behind

I have what you need but you keep on searching
I've done all the work but you keep on working
When you're running on empty and you can't find the remedy
Just come to the well

You can spend your whole life chasing what's missing
But that empty inside it just ain't gonna listen
When nothing can satisfy and the world leaves you high and dry
Just come to the well

And all who thirst will thirst no more
And all who search will find what their souls long for
The world will try but it can never fill
So leave it all behind and come to the well

Just come as you are when your last prayer is spoken
Just rest in My arms a while, You'll feel the change My child
