Intro

Dm A# F F

Verse

There is no striving
There is no striving in Your love
Freely You have given
Freely You have given to us
You have made us Yours
You have called us daughters and sons
This is who You are
This is what Your love has done

Chorus

You have given everything my heart could ever need
And all You ask is I believe
So I am resting safe inside your promise to provide
And nothing could ever change Your love
Your love for me Your love for me
