[rap]

Maybe I ain't really know what living is
Is it love, if it was, was I living it
Do I live in it? So astounding
Love is an ocean, you can drown me
The sweet embrace, the lovely taste
I taste and see, I'm under grace
The place to be, it means I'll never need an umbrella
I'm cool in the cold and the hot weather
Whether or never I ever
I understand I'm a man in the hands of great plan
I stand with faith in a life I never known or touched
It's still outside my clutch
But I'm like, what's the dream of
What's to hope in, what's to die for and live to no end
This is living, the life I've been given's a gift
If I'm a live it, I'm a live at to death
So what's to dream of, what's to hope in
What's to die for and live to no end
This is living, the life I've been given's a gift
If I'm a live it, I'm a live at to death

[Chorus 1]

[Chorus 2]
