Chorus

And my heart trembles at Your Word
And my feet dance to Your praise
And my heart trembles at Your Word
My feet dance to Your praise
My lips quiver to speak Your name
My lips quiver to speak Your name

Verse

Oh God, reach out, and hear our words
We sing them now, let our hearts be heard
Oh draw us into Your sweet embrace
We lift our lives in worship to You

Ending

We bow down, we bow down in worship to You
We cry out, we cry out in worship to You
