## Chorus

And my heart trembles at Your Word  
And my feet dance to Your praise  
And my heart trembles at Your Word  
My feet dance to Your praise  
My lips quiver to speak Your name  
My lips quiver to speak Your name

## Verse

Oh God, reach out, and hear our words  
We sing them now, let our hearts be heard  
Oh draw us into Your sweet embrace  
We lift our lives in worship to You

## Ending

We bow down, we bow down in worship to You  
We cry out, we cry out in worship to You
