## First Verse

I've lived stories that have proved your faithfulness  
I've seen miracles my mind can't comprehend  
There is beauty in what I can't understand  
Jesus, it's You  
Jesus, it's You

## Chorus

I believe, You're the wonder-working God  
You're the wonder-working God  
All the miracles I've seen  
Too good to not believe  
You're the wonder-working God  
And You heal because You love  
Oh the miracles we'll see  
You're too good to not believe

## Second Verse

I can't resurrect a man with my own hands  
But just the mention of Your name can raise the dead  
All the glory to the only one who can  
Jesus, it's You

Jesus, it's You
