First Verse

I've lived stories that have proved your faithfulness
I've seen miracles my mind can't comprehend
There is beauty in what I can't understand
Jesus, it's You
Jesus, it's You

Chorus

I believe, You're the wonder-working God
You're the wonder-working God
All the miracles I've seen
Too good to not believe
You're the wonder-working God
And You heal because You love
Oh the miracles we'll see
You're too good to not believe

Second Verse

I can't resurrect a man with my own hands
But just the mention of Your name can raise the dead
All the glory to the only one who can
Jesus, it's You

Jesus, it's You

Chorus

I believe, You're the wonder-working God
You're the wonder-working God
All the miracles I've seen
Too good to not believe
You're the wonder-working God
And You heal because You love
Oh the miracles we'll see
You're too good to not believe

Bridge

I've seen cancer disappear
I've seen metal plates dissolve
Don't you tell me He can't do it
Don't you tell me He can't do it
I've seen real life resurrection
I've seen mental health restored
Don't you tell me He can't do it
Don't you tell me He can't do it

I've seen families reunited
I've seen prodigals return
Don't you tell me He can't do it
Don't you tell me He can't do it

I've seen troubled souls delivered

I've seen addicts finally free

Don't you tell me He can't do it

Don't you tell me He can't do it

Bridge

We'll see cities in revival

And salvation flood the streets

Don't you tell me He can't do it

Don't you tell me He can't do it

We'll see glory fill the nations

Like the world has never seen

Don't you tell me He can't do it

'Cause I know that He can

Chorus

I believe, You're the wonder-working God

You're the wonder-working God

All the miracles I've seen

Too good to not believe

You're the wonder-working God

And You heal because You love

Oh the miracles we'll see

You're too good to not believe
