I can sense You, that You're with me, Lord
That You're near me, all around me, Lord
And I know that You only want good for me
In the morning, the evening
At any time of day You're calling
I know that You're here with me

Chorus

And if I run from You, hide from You
Reject all the truth of You
It's never enough to disprove Your love
God, how You rescued me, sheltered me
And loved me so endlessly
I know You're someone I can trust
Jesus, my friend and my God
