Intro

D D D D

Verse 1

You say the word and the dark turns into light
You say the word and the dead comes back to life
You say be still to the crashing waves
And the wind and the water obey
At Your word, every word is alive

Chorus

We are listening, we are listening
Breathe Your living Word into us
God, breathe Your living Word through us
We are listening, we are listening
Let us hear the sound of Your voice
And the beating of Your heart, we are listening

Verse 2

You say the word, the heavens open and the rains fall down
You say the word, and beauty springs from the frozen ground
From the ashes of our brokenness
Comes a beauty that will take our breath
At Your word, 'cause every word is alive

[Chorus]
