Verse

You placed eternity in our hearts
We were Yours from the very start
All we've known has been torn apart
And now we have forever

You gave a song for our souls to sing
And Your life was the offering
Even death, it has lost its sting
Now we have forever

Chorus

And you can't take away
What the world didn't give
We were made for more
We were made for more
At the end of the day
This will remain
Forever we are Yours
Forever we are Yours

You made a place at Your table God
Paid the way for the poor and lost
Called us into Your open arms
And now we have forever

No one, no one
Can take Your place
No life, no death
Can separate
Your love, Your love
Has conquered the grave
You conquered the grave
