## VERSE

**Em** **C** **G** **D**  
You, O Lord, are a holy God  
**Em** **C** **G** **Am**  
Your ways are perfect and just  
**Em** **C** **G** **D**  
Slow to anger and abounding in love  
**Em** **F2** **C**  
You have shown us your Father's heart

**Em** **C** **G** **D**  
But we your people have turned from You  
**Em** **C** **G** **Am**  
Resisting Your power and grace  
**Em** **C** **G** **D**  
Taking our lives into our hands  
**Em** **F2** **C**  
We have stumbled and lost our way

## CHORUS

**Em** **D** **C**  
So we humble ourselves before you  
**Em** **D** **C**  
And confess our unfaithfulness toward you  
**Am** **G/B**  
Forgive our sins, remove our shame  
**Em** **Em7/D** **A/C#**  
Restore the church that bears your name  
**G/D** **C/D** **Em C G D**  
That revival may come to this land once again.
