That all men might see the truth and know **G**                      **Am**  
He is the way to heaven. **F**

We want to see, we want to see.  
We're gonna see, we're gonna see,  
**Am**                      **F**                      **C**  
We want to see Jesus lifted high.  
We want to see **G**  
We want to see, we want to see,

## Bridge

**G**                      **Am**  
Step by step we're moving forward,  
**G**                      **Am**  
Little by little taking ground.  
**G**                      **Am**  
Every prayer a powerful weapon,  
**F**                      **G**  
Strongholds come tumbling down,  
And down, and down, and down.

[Chorus]
