```
Intro
Gm7           F G          D# /G         D# /G

Verse 1
Gm7                   F G          D# /G
   The sweetest sound   I'd ever heard
Gm7               F G          D# /G
   The sound of heaven calling out   to me
F                 Cm7                         D#
 Before I ever called Your name You gave Your life for me
F                 Cm7                         D#
 And all the things I'd e- ver done You took upon that cross

Chorus
                     A#                      D#
You took the weight of the world on Your shoulders
                     Gm7                     D#
You took the weight   of the world on Your shoulders
                   C11                     D#
You did it all for me   yes You did it all for me
[  sing chorus twice]
[  sing chorus   ]

Verse 2
Gm7                 F G          D# /G
   The greatest love   I've ever known
Gm7               F G            D# /G
   That You would give   Your life to set   me free
F                 Cm7                         D#
 Before I ever called Your name You paid the price for me
F                 Cm7                         D#
 And all the things I'd e- ver done You bore at Calvery

[Chorus]

Bridge
                 A#                         F/A
You take me as I am into Your nail-scarred hands
                 G#                      D#
When I run so far away You always call me back again
                 A#                      F/A
Into Your open arms no matter what I've done
                     G#
Amazing grace has found me here
                     F#          F#
Because of what You've done I'm free

[Chorus]

Ending
                 A#          D#                  Gm7
You took the weight of the world You took the weight of the world
D#                     C11                  D#
```

And You did it all for me   but it wasn't just for me
