## Verse

This is my song to You a melody of thanks for You  
An expression of wonder at Your beauty and Your splendor  
No other cry have I than to know You more and lift You high  
Oh God of infinite glory above all You are worthy

## Chorus

And what can I bring to You  
Simply a song of love and boundless gratitude  
My whole life for You  
You've rescued me from death  
Given me Your kingdom and blessed me with Your love  
Countless mercies from above  
Countless mercies from above
