```
Intro
      A
A    A    A    A

Verse
         A     D/A A
What if Jesus is okay with
         F#m           E          D
Letting parts of Him remain a mystery
         A     D/A       A
What if Jesus is just smiling
         F#m           E              D
When I think down here I must know everything
            D                    A
What if my views don't reflect His fullness
                F#m           E            D
And there's still so much more of heaven yet to see
           A          Bm          A/C#    D
What if trusting Him is what He's looking for
              A          E             A
Would that be good enough, good enough for me

Verse
         A     D/A       A
What if Jesus sees what I miss
           F#m             E          D
And He does not share all my thoughts on politics
           A     D/A         A
What if His body bridges these chasms
           F#m         E            D
That I have dug out in my own self-righteousness
            D             A
And what if people I don't agree with
              F#m             E          D
Are the same ones pouring their perfume on His feet
           A          Bm       A/C#  D
What if Jesus gets the whole of His reward
              A          E          A  D/A A D/A
Would that be beautiful, beautiful to me

Verse
          A        D/A    A
What if Jesus desires mercy
           F#m         E              D
While I'm busy judging others for their deeds
            A        D/A        A
'Cause if I have His heart and friendship
     E/G#   F#m             E              D
Then I must know He loves the liars and the thieves
            D               A
What if I spend life in His vineyard
```

```
        F#m           E          D
And at midnight He redeems my enemies
          A           Bm          A/C#      D
What if trusting Him is what He's looking for
                A              E               A  D/A A
Would that be good enough, good enough for me

Verse
          A        D/A      A
What if Jesus' wedding table
         F#m              E                 D
Holds the people that have hurt and wounded me
          A        D/A      A
What if I'm seated in the middle
            F#m                  E            D
While at the head are some who've only just believed
          D                A
Oh what if after all I've been through
      F#m          E              D
Everyone gets the same He promised me
        A        Bm      A/C#    D
What if Jesus alone is the reward
              A             E                F#m
He would be good enough, good enough for me
                    A            E              A  D/A
He'd be more than good enough, good enough for me

Ending
A    A D/A   A    A D/A   A
```
