You never change, You are the God You say You are
When I'm afraid, You come and still my beating heart
You stay the same when hope is just a distant thought
You take my pain and You lead me to the cross

What love is this that You gave Your life for me
And made a way for me to know You
And I confess You're always enough for me
You're all I need

I look to You, I see the scars upon Your hands
And hold the truth that when I can't You always can
And standing here, beneath the shadow of the cross
I'm overwhelmed that I keep finding open arms

What love is this that You gave Your life for me
And made a way for me to know You
