Intro
A   A#  G

Verse 1
F            C          G
Lord, let my life be an altar
F           C              G
Light up my lungs with Your praise
F                      C               G
  Cause I can't breathe until You breathe
               F
So breathe on me
       C          G
Let my life be an altar

Interlude
A   A#  G

Outro
    A/C#         A#/D         G
You ask can these bones live again
    A/C#           A#/D             G
And then I hear Your voice answer with wind
    A              A#          G
You ask can these bones live again
    A                A#              G
And then I hear Your voice answer with wind
    A              A#          G
You ask can these bones live again
    A                A#              G
And then I hear Your voice answer with wind
    A              A#          G
You ask can these bones live again
    A                A#              G
And then I hear Your voice answer with wind
```

```
    A/C#          A#/D          G
