Verse 1

Through the veil we have come
You paid the price, a sacrifice of flesh and blood
Hearts ablaze, drawing close
The holy place now invades the human soul

Chorus

Wide awake, unashamed in Your light
By Your grace boldly running to Your side
Captivated, oh I am taken by everything You are
I want to be closer and closer and closer to Your heart
I want to be closer and closer and closer to Your heart

With burning hearts, into Your arms, oh God we run
All my life, and all my days
Holding nothing back, giving all I am for Your great name
