## Intro

E        B /D#  
F#  
B /D#  
G#m        F#

## Verse

              B  
We could fill a thousand books  
              E                        B  
With the stories of Your goodness  
              E                        B                        F#  
And still it couldn't capture who You are  
              B  
You've been faithful every age  
              E                        B  
You are Alpha and Omega  
              E                        B                        F#  
The greatness of Your love sets You apart

## Pre-Chorus

E                        G#m                        F#  
Oh let our worship sound like heaven  
E                        G#m                        F#  
Singing the words we'll sing forever

## Chorus

              E        G#m        F#        B /D#        G#m  
Singing ho - ly, wor - thy  
F#        E        G#m        F#                        B                        G#m        F#  
Singing glo - ry in the highest, in the highest

## Verse

              B  
Since before the dawn of time  
              E                        B  
You've had endless choirs of angels  
              E                        B /D#                        F#  
All singing out Your praises on and on

## Pre-Chorus

              B  
So let our worship sound like heaven  
              E                        B  
Singing words will sing forever  
              E                        B /D#                        F#  
And let every living creature join the song
