How when everything was shaken, You were always enough

Oh how my heart loves Your presence
On the mountain or below
I can trust Your Word each season, this is what I know

Goodness and mercy have followed me all of my days
How great is Your faithfulness over and over I'll sing

Your mercy was new every morning, God You are good, so good

Faithful Shepherd You have led me to the place where I can rest
I will make my life an altar where Your name is blessed
