Verse 1:
D                      G       D
Who, oh Lord, could save themselves,
  G        D         A
Their own sin could heal?
    Bm         D      G       D
Our shame was deeper than the sea
      G       A      D
Your love is deeper still

Chorus:
                G      A           Bm
You alone can rescue, You alone can save
                G       A        Bm7
You alone can lift us from the grave
                  G        A             Bm
You came down to find us, led us out of death
                G         A       D       G  D  G
To You alone belongs the highest praise

Verse 2:
D                    G      D
You, oh Lord, have made a way
     G       D        A
The great divide You heal
     Bm       D           G   D
For when our hearts were far away
      G         A       D
Your love went further still
            G        A       D
Yes, your love goes further still

Chorus:
                G      A           Bm
You alone can rescue, You alone can save
                G       A        Bm7
You alone can lift us from the grave
                  G        A             Bm
You came down to find us, led us out of death
                G         A       Bm
To You alone belongs the highest praise
                G         A       Bm
To You alone belongs the highest praise
                G         A       D
To You alone belongs the highest praise
