I've looked for love in so many places
Trying to find out where I belong
Wandering through this barren land of longing
Looking for the place called home a place called home

Verse 2

You said, Come to me all you who are so weary
And you will find true rest for your souls
Lord let these words of life speak into my heart
Anywhere I am I can be home

Chorus

You are my home You're my true home
I am safe inside the shelter of Your love
You are my home You're my true home
I am free to be a child once again
