Intro

**E B A**

Verse 1

          G      D C                          G D C  
Your grace     it opens the way  
                  **E B A**  
That I might draw near to You  
                                  **E B A**  
With my heart full of faith  
          G      D C                          G D C  
Your grace     is all undeserved  
                  **E B A**  
Though there are s I fail  
          **B Bsus B**  
Still You are with me

Chorus

          Em D      C                          G      D  
Your amaz - ing grace is perfectly free  
          Em D      C                          D Dsus D  
Day by day Your grace empowering me  
                  **A B A**  
To please You in all things  
                  **A B A**  
To walk in Your ways  
          C                          C D  
Completely forgiven  
                                  **E B A**  
And it's all by Your grace

Verse 2

          G      D C                          G          D C  
Your grace     it lightens my load  
                  **E B A**  
You give me the strength I need  
                  G      D C  
To keep walking this road  
          **E B A E B A**  
Your grace     is all that I need  
          **E**  
Though I am weak  
**B A B Bsus B**  
Your grace is mighty within me

[Chorus]

Bridge

          G                          D          C  
I want to walk in a manner that's worthy  
          G                          D          C  
Of the calling You've given to me  
          **E B**

I want to walk in a manner  
C G D 2X Help us to...  
That's worthy of the gospel
