Intro

**C**  
**Fmaj7** **Fmaj7** **C** **Cmaj7** /E

Verse 1

**Fmaj7**  
Strong enough to calm the storms  
**C** **Cmaj7** /E  
Of fear and unbelief  
**Fmaj7**  
Fierce enough to break the cords  
**C** **Cmaj7** /E  
of death that clung to me  
**Fmaj7**  
'Cause I have come to know a love  
**C** **Cmaj7** /E  
Whose power has overcome every insecurity  
**Fmaj7**  
And Heaven moves and demons flee now  
**C** **G**  
As I lift my voice to sing

Chorus

**Dm** **C** /E  
Oh, Your love is strong, oh, Your love is strong  
**F** **C** **G**  
Oh, Your love is strong, oh, Your love is strong

Verse 2

**Fmaj7**  
Close enough to hold me near  
**C** **Cmaj7** /E  
When fear is crippling  
**Fmaj7**  
Safe enough to be my home  
**C** **Cmaj7** /E  
When my world is crumbling  
**Fmaj7**  
'Cause I have come to know a love  
Stronger than the grave  
**C** **Cmaj7** /E  
That in my darkest hour  
**Fmaj7**  
You raised me up from death to life now  
**C** **G**  
In resurrection power

[Chorus]

[Chorus]

Bridge

**C** /E **F** **Csus** **C**  
And Your love, it vanquished all my enemies

It broke the cage that silenced me  
And set this songbird free  
I sing, for all the love You've given me  
Rejoice because You've chosen me  
And called this orphan home

[Chorus]
